

ELIGIBILITY POLICY

Academic requirements for extracurricular activities are the same as for athletic eligibility. In order to be eligible, a student must maintain a 2.0 current grade point average with no F's.

- **Every Monday beginning September 1** (or on Tuesdays when a holiday falls on Monday) **the Jr/Sr High School office will publish an Eligibility list** with the grades available on Powerschool.
- Any student with less than a 2.0 current GPA or an F in any class will receive a **1 week** (Monday to Monday) **“Ineligibility Warning”**: no change in status but the coach and parents will know a student is in danger of becoming ineligible.
- Any student with less than a 2.0 current GPA or an F in any class for a second consecutive week (the same or different subject) **will be ineligible to play but may practice (“Practice Only Eligible”)**. During this week the student **must attend an after school study hall under the supervision of the detention teacher on Tuesday, Wednesday and Thursday** before the student may practice or travel with a team.
- Any student with less than a 2.0 current GPA or an F in any class for a third consecutive week **will be “Ineligible” to play or practice until the grade point average is raised to the 2.0 threshold at the next eligibility check date**. Students who are **Ineligible** may not miss scheduled classes for any school-sponsored extracurricular activity and may not travel with a team to games.
- If a student reaches the Ineligibility Warning phase for a third time during a semester, he or she will immediately advance to the Practice Only Eligible phase.
- During Christmas break, if a student has received less than a 2.0 semester GPA or an F in any class for the semester, the student may not play in any Christmas break tournaments.

Students who are **Ineligible** may not miss scheduled classes for any school-sponsored extracurricular activity and may not travel with a team to games.

In order for a student to be eligible for interscholastic athletic participation, the student must:

- not have an “I” (Incomplete) at the Quarter or Progress Report. Students will remain ineligible until the “I” is completed and the corrected grade is recorded in the Registrar’s Office.
- have a current physical examination, completed by his/her personal physician and at his/her own expense. A physical exam is current if completed after March 1 of the previous school year.
- carry insurance as recommended by the Administration or provide a satisfactory substitute policy. In addition, parents/guardians must sign the waiver on the Emergency Card before the first practice session.
- complete and return Participation Release form to the Administration Office before the first practice session.
- attend class periods 2nd—4th on the day of practice, activity, or contest in order to participate unless absence is due to a confirmed medical appointment.
- not reach age 19 on or before September 1 of the school year in which competition occurs.
- adhere to the eligibility rules established by the AIA.
