

# Phoenix Christian High School ART0740 Advanced Art Seminar Course Scope & Sequence (2010)

## **COURSE DESCRIPTION**

Advanced Art Seminar is an independent study in the media of choice for fourth year art students. A minimum of two mediums may be the focus of this course, and more areas may be explored to a maximum of four. Each area is explored for one or two semesters.

## **REQUIRED TEXTS AND \*KEY SUPPLEMENTAL MATERIALS**

Instructional materials will be provided as needed.

## **COURSE SCOPE AND SEQUENCE**

### **General course options**

If students chose to focus on one or two different media, projects will be discussed And set up with the instructor.

*Assessments:* Individual project completion, how class time is used, neatness Of the project, and achievement of goals student was reaching for.

*Biblical Integration:* Students realize that man's creativity has limits, but God's doesn't. God continues to inspire artists in individual ways. He expects us to develop and use the talents and abilities he has given us. Exploring deeper into familiar medias and applying different methods is a way to explore God's amazing world of creativity and continue to grow in the students own creativity.\*\* (Job 38)

### Project One

*Key Concepts:* Student Project Selection and Skill Development in one of the following – Calligraphy, Clay, Crafts, Drawing (Charcoal or Color), Mosaic, Painting, Pottery, or another Approved Art Medium.
