

Phoenix Christian Sr High School Art Department Philosophy Statement

Genesis 1:1 states "in the beginning God created...", and verse 26 states "let us make man in our image, in our likeness." This demonstrates that God is a creative being. As men and women made in God's image, we are also creative by nature, and the Art Department of Phoenix Christian Junior/Senior High School strives to encourage students to tap into their creative being.

Like an athlete, skills are learned and improved with practice, so it is with Art. All students can learn to express themselves artistically with greater effect than they could before taking Art. Students will learn skills and practices, and tap into their creative nature. The Art Department will turn "I can't" kids into "I can" kids and help them demonstrate the creative aspect of their nature.
