

Phoenix Christian Jr/Sr High School English Department Philosophy Statement

Just as the Lord communicates to men and women through His word, He has given mankind the ability and desire to communicate with Him and others. The Bible communicates God's love for His creation while encouraging His children to communicate effectively and truthfully.

The English Department is committed to quality communication through a sound and diversified program comprised of the following skills: reading, writing, listening, and speaking. Mastering these skills enables students more freedom to utilize their God-given abilities to communicate and to become a valuable tool in the hands of the living God.

"Not only was the Teacher wise, but also he imparted knowledge to the people. He pondered and searched out and set in order many proverbs. The Teacher searched to find just the right words, and what he wrote was upright and true." Eccl. 12: 9, 10.
