

# Phoenix Christian Jr High School

## ART0507 JrHS Art I

### Course Scope & Sequence (2010)

#### **COURSE DESCRIPTION**

7<sup>th</sup> grade Art is an introduction to art history and its role in human creativity. The course provides for exploration in the areas of scratchboard, linoleum block print collages, hand casting, and an introduction to drawing with the use of grids, and contours and shading. Students will be introduced to media with full exposure and work in all areas, and be introduced to areas of art they may never have previously explored. Students will also be encouraged to continue their artistic development through additional art courses and extracurricular activities.

#### **COURSE SCOPE AND SEQUENCE**

##### **First Quarter**

###### Art History
