

July 2020

Phoenix Christian Family,

Phoenix Christian Preparatory School prioritizes the health and safety of our community. We are here to provide infant through 12th Grade students an exceptional and eternal education delivered by the influential living curriculum of our faculty and staff.

We are committed to the irreplaceable power of direct interaction between student and teacher. Driven by this reality, Phoenix Christian Preparatory School is resuming on campus instruction with an option of Home-Based Learning, while pursuing **health**, **gathering**, and **tracking** protocols with an *abundance* of caution to protect our community.

Our reopening plans embrace the direction from the Arizona Department of Education's [Roadmap for Reopening Arizona Schools](#). Please find [Phoenix Christian's Covid-19 Commitment](#) which outlines the ways we are modifying the on campus experience. Please know we will continue to modify our protocols and instructional strategies as COVID-19 realities change in Arizona.

Please review [Phoenix Christian's Hybrid and Home Based Learning Plan](#). Despite the inevitable inconvenience caused by the protocols, we are eager to face this next season, together.

Our current plans include the following:

Infant through 12th Grade daily On Campus Hybrid Instruction will resume August 20, 2020.

We are planning a Virtual LAUNCH LIVE/Back to School event with special guests to inspire our students and families. **We have recently updated our Launch Plans to better serve our families.**
