

March 9, 2021

Dear Phoenix Christian Family,

*Please help us maintain a culture of masking up. Free masks are available in each of our front offices.*

*Students attending 5th Grade Retreat, 8th Grade Camp, or High School Retreat will have masks available. Covid-19 policies will be implemented at all camps and retreats.*

Although Maricopa County continue to significantly improve, we remain vigilant to mask up, be prepared, and be proactive.

**Beginning March 22, 2021, we will transition to random health screening each morning upon arrival. All students must continue to wear masks while on campus.**

Our parents have been tremendous in proactive communication and proactively keeping students with Covid-19 symptoms at home.

Please remember: **We are transitioning our Homebased Learning program toward a return to on campus instruction by March 29, 2021. A separate communication specifically to Homebased Learners and families was sent in February. In order to continue in Homebased Learning, a student must have the approval from his/her respective Principal.**

**Arizona Interscholastic Association (AIA) is adjusting mask requirements for spring season athletes in direct on field/court competition. Middle School athletics will follow suit with AIA mask requirements. Please watch for Phoenix Christian Athletics emails for the latest updates in Athletics Covid-19 protocol.**

As always, we encourage you to monitor your student's health and contact Phoenix Christian Preparatory School immediately with any concern. Our parents are incredible communicators.

Thank you for trusting our Christ centered pursuit to protect our children by wearing masks and honoring health protocols while on the Phoenix Christian campus.

If you have any questions or concerns, please feel free to reach out to me personally (602) 265-4707 ext. 226.

With prayer,
