

PROGRAM OVERVIEW

Christian Education

In partnership with the foster family, Phoenix

Christian is committed to providing full tuition scholarships for Kindergarten through 12th grade students. Additionally, we accept DES for preschool where foster families can enroll infants through Prekindergarteners.

Community

Phoenix Christian is a small and diverse community of believers. We recognize each child's unique needs and shape an educational plan for each student. We are committed to coming around a family to support them on their foster care journey. Foster family support groups will be offered as an option to connect with our community.

Advocacy

Counselors, teachers, and administrators will advocate for the needs of foster children and their families. We will participate in CFT meetings, write recommendations, and advocate in other ways in partnership with the foster family.

Teacher and Family Training

Phoenix Christian teachers and staff will receive specific trainings to further develop support for foster families. Educational opportunities will be available for foster families to help provide support, as well as required training hours for licensed families.

Community Outreach

Phoenix Christian will host annual events to promote foster care, educate the community on the need for more foster families, and create partnerships with local agencies.
