

Dear Phoenix Christian Family,

Thank you for your prayers, patience, and support these last 13 months through Covid-19.

Each day we monitor Maricopa County health data relating to Covid-19. [Please find today's current data reflecting a continuing 13+ week decline in Covid-19 rates.](#)

As we adapt our Covid-19 Preparedness Plan we are mindful of three key elements:

First, not all students are able to acquire a vaccination at this time.

Second, a large amount of Phoenix Christian families are multigenerational-with at risk family members.

Third, Phoenix Christian has largely benefited from our preparedness practices to enable a yearlong on campus experience for nearly all of our students (with about 15 students recently returning to on campus instruction).

We have determined to maintain a culture of masking up for the remaining seven weeks of school. Free masks are available in each of our front offices.

Our parents have been tremendous in communication and proactively keeping students with Covid-19 symptoms--at home.

As always, we encourage you to monitor your student's health and contact Phoenix Christian Preparatory School immediately with any concern.

Thank you for trusting our Christ centered pursuit to protect our children by wearing masks and honoring health protocols while on the Phoenix Christian campus.

If you have any questions or concerns, please feel free to reach out to me personally (602)265-4707 ext. 226.

With prayer,

A handwritten signature in black ink that reads "JEFF BLAKE". The letters are stylized and connected, with a large, sweeping "J" and "B".
