

April 27, 2021

Dear Phoenix Christian Family,

Each day we monitor Maricopa County health data relating to Covid-19.

[Please find today's current data reflecting a continuing 17+ week decline in Covid-19 rates.](#) Phoenix Christian has not received notification of a positive Covid-19 case since March 8th, 2021.

As we update our Covid-19 Preparedness Plan we remain mindful of three key elements:

First, not all students are able to acquire a vaccination at this time.

Second, a large amount of Phoenix Christian families are multigenerational-with at risk family members.

Third, Phoenix Christian has benefited from our preparedness practices to enable a yearlong on campus experience. All but a very small number of students are Homebased at this time.

We have determined to maintain a culture of masking up for the remaining 4 and 1/2 weeks of school.

Admittedly, mask wearing is increasingly difficult, for our students and staff. Phoenix Christian is committed to a non-punitive encouragement for our community to stay the course for the next few weeks.

As we prepare for Summer School (June 1, 2021) and our first day on school August 5, 2021, we will be transitioning to a mask optional practice.

Free masks are available in each of our front offices.

You have been tremendous in communication and proactively keeping students with health concerns at home. Thank you!

Thank you for trusting our Christ centered pursuit to protect our children by wearing masks and honoring health protocols while on the Phoenix Christian campus.

If you have any questions or concerns, please feel free to reach out to me personally (602)265- 4707 ext. 226.

With prayer for a strong and healthy finish,

A handwritten signature in black ink that reads "JEFF BLAKE". The letters are stylized and connected, with a large, looping "J" and "B".
