Phoenix Christian Elementary Summer Reading Log

Did you know that reading 20 minutes a day has a great impact on a child's academics? Join us in our Summer Reading Challenge! Students can read independently, or an adult or older sibling can read to them. Write the titles below and number of minutes read. At the end of summer, add the total minutes read for your chance to participate in the big ice cream party! Reading logs are due to Mrs. de Laet in Library by Friday, August 14th. Stay tuned to Class Dojo over the summer for other opportunities to earn additional prizes. Have fun reading! LdeLaet@PhoenixChristian.org
