

# Phoenix Christian Elementary Summer Math Challenge

Hello PC Elementary Families!

5/15/26

This summer, we are having an IXL Math Challenge! **How many math skills can your child reach “proficient” in between May 18th and August 12<sup>th</sup>?** All students can earn prizes when they reach each goal listed below. Prizes will be distributed once school begins. Finally, the top 5 students in each grade level will be invited to the Summer IXL Math Celebration in August!

Proficient Math Skills Added this Summer	Prize to receive in August
10	Stickers
20	Candy
40	Fruit Snacks
60	Colorful Dice
80	Pencil Charm
100	Ruler Slap Bracelet
150	Choice of Fidget Tool
<b>200+ Club!</b>	A Coupon for: Eat your lunch with a Staff Member of your Choice
<b>Top 5 Students in Each Grade</b>	Math Celebration: Snow Cones and Popcorn

- We encourage students to work on skills listed on their **MAP Study Plan**, which is tailored to each student’s needs identified on their Spring MAP assessments. The logo is visible on the landing page after signing into IXL. Click it to reach your child’s plan and toggle to **math**.
- Only skills in their 25-26 grade level, one grade below, or any grade above will qualify.
- A student is considered “proficient” in a skill once they reach at least 80 points.
- Clever and IXL sign-in cards are attached above to log in via either webpage you prefer and an extra will be in the office if you need a replacement!

Please contact me with any questions or for any accommodation needed. Thank you and good luck!

Sincerely,  
 Mrs. Grimmer
