

LEGO® Engineering

At Phoenix Christian Elementary School

At Play-Well TEKnologies, students are encouraged to unleash their inner engineer as they design and build with tens of thousands of LEGO® pieces and the guidance of our passionate instructors. They will explore fundamental STEM concepts as they learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

August 31- October 12
Mondays
3:15-4:15pm
Grades K-5

STEM Discovery Using LEGO Materials

Unleash your creativity with tens of thousands of LEGO® pieces at your fingertips! Build engineer-designed projects as you discover the world around us through our inquiry-based learning model. Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO® building system.
