

Hello PC Middle School Students & Families,

I wanted to take a quick moment to introduce myself and say hello as we head into summer! My name is Anthony Suarez, and I'm excited to be stepping into the role of Middle School Principal this year.

Whether you're new to middle school or returning, I hope you all have an amazing summer filled with rest, fun, and time with family and friends—you've earned it!

I'm really looking forward to the year ahead. Middle school is such an important time of growth, and my goal is to help create a place where every student is known, supported, and challenged. We have an incredible Middle School team here that is not only committed to helping students succeed in the classroom, but also to investing in them as individuals.

We also know that strong partnerships with families are essential, and I look forward to working alongside you as we support your students together. Thank you for the trust you place in us, it is a responsibility we value deeply.

I am truly excited for the year ahead, and I look forward to meeting each of you soon. Until then, enjoy your summer!

Blessings,
