Elementary Principal's Message

"See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." — Isaiah 43:19

One of the things that excites me most about a new school year is knowing that God has already prepared new adventures for us to experience. Some of those adventures will be joyful and exciting, while others may challenge us and help us grow. Through it all, God uses each experience for our good and for His glory. As we look ahead to the 2026–2027 school year, I am excited to welcome new families to our community, add a new 3rd-grade teacher and Music teacher to our already outstanding staff, and embrace important new initiatives, including our transition to standards-based grading and the expansion of our RISEN support team to include two teachers instead of one. While we cannot yet see everything God has planned, we can trust that He is already preparing the way.

My prayer is that when we reach the end of this school year, we will look back and clearly see His faithfulness woven throughout every moment. Welcome to the 2026–2027 school year at PCPS Elementary—I believe it is going to be a wonderful year!

Mrs. Charity Sianturi
Elementary Principal, PCPS
