

Meet Our New Teachers

Welcome Ms. Temple

Arianna Temple is taking on the role of Head Counselor for the Middle School and High School in the upcoming school year. She has her Masters in Social work and has served in public education for 6 years, 4 being specific to school counseling. "With a heart to serve the Lord and a passion for children, PC offers an environment and an opportunity for me to share my love of God and to impact and support young lives for His glory."

Welcome Ms. Molina

Amaris Molina joins our team to teach MS Math. She has taught Algebra 1 for three years. She has a passion for teaching and building meaningful relationships with both students. PC feels like more than just a school, but a community with purpose. "I value the opportunity to encourage character, kindness, and faith alongside academics. Being able to work in an environment that aligns with my faith and beliefs is something I am excited to be a part of a Phoenix Christian."

Welcome Jaylin Peters

Jaylin Peters joins us as our Choral Teacher in 5th-high school this year. She has over four years of experience teaching and coaching dance, including serving as a dance coach at Phoenix Christian Preparatory School. Welcome Ms. Schmidt

Grace Schmidt joins our team to teach 10th and 11th grade ELA. She has her Bachelor of Arts and has previously taught in ELA in the Phoenix Area. She is drawn to Phoenix Christian because of atmosphere at Phoenix Christian and the ability to share the Gospel with students from all walks of life. Her Favorite scripture is Matthew 11:28-30.

Welcome Mr. Supergan

Chris Supergan will join us to teach our culinary program. He has always had a love of cooking since he was a kid. He is in the AZ Army National Guard and went to Army training to be a cook. He used his love of cooking to build people up to have a love for their craft as well. He chose PC because it will give him an avenue to share the Gospel and build others up in a skill that they can use to build community with one another.

New Roles

Welcome Mr. Wild

Abel Wild will teach high school science this school year. He faithfully joined us last semester, and we are so glad to welcome him in an official capacity for the upcoming school year. He loves getting to be a part of shaping the next generation into future leaders, not only in our society, but also the Church. PC allows him to answer both of those calls, while also being a part of an organization that serves as a beacon of light in a dark world that strives to show the love of Jesus.

Welcome Mrs. Draper

Jaimee Draper is entering her 4th year of teaching at Phoenix Christian. Along with teaching HS ELA, she will now also be stepping into the role of Theater Director. She has years of success and experience in the performing arts, directing stage productions, and voice acting. She brings a heart for discipleship as well as a desire to see students use their gifts to glorify God.

Welcome Ms. Washington

Quixmia Washington is stepping into the role of PE Coach for both MS and HS. She loves the diversity of the campus from the staff, students, and faculty. She believes the school is a great representation of what Heaven is like, a variety of God's children. "I see an opportunity to step into my calling and really impact the next generation. It's a beautiful privilege to work and teach alongside like minded believers." She brings the experience of coaching for both the Phoenix Suns and Mercury Camps.
